

# Cycle Locker Scheme

## Background

Sleaford Business Improvement District, North Kesteven District Council and Lincolnshire County Council have installed cycle lockers at key sites around the town to help people who wish to cycle to work or regularly cycle into Sleaford.

## Who can use the lockers?

These lockers can be used by anyone who cycles to and from Sleaford on a regular basis.

## How many lockers are available?

There are fourteen lockers available: three at Lafford Terrace, five at Church Lane, two at Station Road and four in Eastbanks car park.

## How much does it cost?

A deposit of £15 is payable for each locker and a charge of £15 for six months hire or £25 for twelve months.

## How can I get a key?

1. Complete the form, available to download at [www.sleafordbid.co.uk](http://www.sleafordbid.co.uk)
2. Send the completed form with a cheque, made payable to Sleaford BID to The BID Manager, The Advice Centre, Moneys Yard, Sleaford, Lincs, NG34 7TW.
3. When you no longer require the key, please return it to the same address, at which time your deposit will be returned.

## Conditions of application (please read carefully)

1. Lockers may be reserved by regular cyclists for a maximum period of one year, at which time re-application will be necessary.
2. Neither Sleaford Business Improvement District, North Kesteven District Council nor Lincolnshire County Council can accept any responsibility for any loss arising through the use of lockers. Cyclists are advised to lock their cycles inside the lockers as well as using external locks provided.
3. Use of the locker for anything other than the storage of cycles will be considered an infringement of the regulations. Any infringement may lead to the installation of new locks and the seizure by the BID of goods found within the lockers.
4. Deposit will only be returned on receipt of the key, if the key is lost the deposit will be forfeited.
5. In the event that the keys are lost, users of the lockers will be charged for replacement keys and the release of the locker content.

If you have any queries on this scheme please contact Sleaford Business Improvement District on 01529 413652.
